LinkLive Multimedia Conferencing

Integrated Virtual Meeting with Clients and Prospects

Streamline communication and collaboration by offering secure connections for both internal & external meetings. Access secure virtual conference lines for voice and video calls and a private, digital office for sensitive conversations.

LinkLive Multimedia Conferencing removes common digital meeting room obstacles for customers, such as down-loads, credentials, and passwords, making it simple and hassle-free.

Leverage video conferencing and a full digital lobby to connect with your customers

Enable staff to drive successful outcomes with a virtual workspace for collaboration and knowledge sharing among call center agents or licensed professionals. Close the deal with eSign tools for faster electronic document signing.

Licensed Professionals: Video conferencing offers a reliable solution for professionals in various fields to address complex and high-touch situations. By utilizing secure and compliant video conferencing, licensed experts can efficiently provide personalized care, guidance, and advice while building trust and delivering exceptional customer experiences.

Enterprise Users: All departments can seamlessly collaborate and bring in colleagues or managers when needed, all within one familiar interface to drive the right solution the first time.

Why should you choose LinkLive Multimedia Conferencing

Drive Meetings from Anywhere

Customers expect you to meet them where they are. Often, a digital meeting can replace an in-person meeting, whether by necessity or convenience. Satisfy customer needs and close the deal quickly and easily.

Empower Contact Center Agents

Customer expectations have never been higher. Empower your agents to build trust and drive loyalty through virtual meetings to quickly solve customer problems. Add video, upload files, and co-browse to satisfy customer expectations.

Streamline Internal Communications

Across town or across the country, virtual meetings build rapport and expedite collaboration. Streamline your staff communications and provide opportunities to meet virtually, on any device.
